Company presentation

Activity

Industry: Activities of membership organisations

economie sociale solidaire, DEEE, recyclage, dechet, insertion, federation, association

Sustainability policy

Acteur du développement durable, Envie crée et développe depuis 1984 des entreprises combinant trois logiques : économique, sociale et environnementale.

Economique : Deux activités économiques pour un projet social
- Envie, leader de la vente d'électroménager rénové garanti
- Envie, opérateur agréé de la collecte et du traitement des déchets d'équipements électriques et électroniques (DEEE)

Sociale : L'action d'Envie s'inscrit dans un seul but, l'accompagnement des personnes en difficultés sociales et professionnelles vers un emploi durable.

Environnementale :
- Envie dispose de sites d'exploitation ICPE (Installations Classées pour la Protection de l'Environnement) et est autorisé à transporter des déchets dangereux.
- Une traçabilité complète est assurée de la collecte à la destruction des déchets.
